1. Bridge Materials;
2. Road Side Spraying;
3. Crushed Limestone and Rip Rap;
4. Road Gravel;
5. Iron or Steel Slag;
6. Polyethylene Culvert Pipes;
7. Corrugated Metal Pipes;
8. Tank Car Culverts;
9. Herbicides;
10. Asphalt – Hot Mix;
11. Liquid Asphalt;
12. Prime Coat Emulsion;
13. Providing Inmate Meals;
14. Portland Cement; &
15. Soil Stabilizing / Road Reclaiming.

Detailed specifications may be obtained from the Neshoba County Board of Supervisors office at 401 Beacon Street, Suite 201, Philadelphia, Mississippi 39350, by calling 601-656-6281, via email to purchasclerk@neshobacounty.net or on our website at www.neshobacounty.net.

INSTRUCTIONS TO BIDDERS

1. All Bids shall be submitted via sealed paper bid to Neshoba County Board of Supervisors C/O Chancery Clerk Guy Nowell, 401 Beacon Street, Suite 201, Philadelphia, Mississippi 39350 or secure electronic bid at www.neshobacounty.net/bids no later than 10:00 a.m. local time on Monday, June 6, 2022. The electronic bid page is available under Quick Links with the heading of Electronic Bidding / Reverse Auction on the left side of the county website at www.neshobacounty.net.

2. No bid may be withdrawn for a period of thirty (30) days. Final Bid Approval is anticipated at the June 20, 2022 Regular Board Meeting. By submitting a bid you acknowledge compliance with the specifications for that item.

3. The vendor shall submit a complete proposal for said commodities and services with sealed bid or via single PDF format included with said bid, which shall be utilized by the County to determine compliance with the specifications and assist in making the determination of the best and lowest bid. The County reserves the right to accept the bid deemed best and lowest for the County. The County will be the final authority in determining compliance with the specifications. Questions concerning the technical specifications may be submitted to purchasclerk@neshobacounty.net.

It shall be incumbent upon each bidder to understand the specifications as listed herein and to obtain clarification when necessary. It is not the intent of these specifications to limit the bidding to any particular make or manufacturer of materials, but rather to select such materials to fill the specific need and perform a specific task. Any reference to name-brand materials is intended to establish standards only and bids submitted in materials equal thereto – at the sole discretion of the County – will be considered.

The Neshoba County Board of Supervisors reserves the right to accept or reject any / or all bids, with or without cause, and waive informalities. Ordered by the Neshoba County Board of Supervisors on the 2nd day of May 2022.

GUY NOWELL
Clerk of the Board of Supervisors
Neshoba County, Mississippi

NESHOBA COUNTY BOARD OF SUPERVISORS

Fuel Surcharge

Due to the anticipated continuing volatility with fuel prices and the impact on delivery of materials, it is necessary to consider an equitable arrangement for fuel surcharge for FOB of the Aggregate to the various locations in Neshoba County. In formulating your bid you may select one of these three options: (1) Your proposal may include a fuel surcharge amount in the bid price provided per ton; (2) You may propose a standardized method of computing a fuel surcharge for consideration; or (3) you may utilize the following method, which is based on the DOE U.S. Average on Highway Diesel Price on the first Monday of the month, excluding holidays, or the next business day thereafter and effective on the first Wednesday of the Month. This method shall provide the fuel surcharge for the entire monthly purchases until the publishing of the new rate on the next first Wednesday of the following month.

(3) Stone & Rip Rap FOB Neshoba County

To: Neshoba County Board of Supervisors
 401 Beacon Street, Suite 201
 Philadelphia, Mississippi 39350
 601-656-6281

Fuel Surcharge (continued)

We are proposing the following fuel surcharge method in calculating our bid:

(Check One)

(1) Our proposal includes a fuel surcharge in the bid price per ton.

(2) We propose the following method in computing the fuel surcharge:

(3) We will utilize the following method in computing the fuel surcharge:

The fuel surcharge shall be calculated **per loaded mile** using the U.S. Department of Energy’s ATLAS fuel surcharge at <https://atlas.doe.gov/FuelSurcharge.aspx> which establishes the weekly U.S. Average on Highway Diesel Price. We propose **plus** or **minus** the designated Truckload fuel surcharge (\$/mile) beginning on the first Wednesday of the month for all purchases until the next fixed amount effective on the next monthly first Wednesday. For example: Your facility is located 50 miles from the delivery point at the Neshoba County Unit Facility. Your fuel surcharge amount is minus \$0.20 (-\$0.20) cents off the published amount for every month. The fuel surcharge amount per loaded mile beginning on Wednesday, April 6, 2022 is \$0.58/mile, which equates to \$0.38 cents per loaded mile for the fuel surcharge. Your fuel surcharge would be \$0.38 x 50 = \$19.00 / load for all loads hauled for the month until the next published rate change for the following month.

Expressed in decimal form (\$X.XX) our bid for the fuel surcharge using this method is:

| Item | Unit | Choose One | | Mileage from Plant to Neshoba County Unit Facility Building |
|-------------------|--------------------|------------|----------|--|
| | | Minus (-) | Plus (+) | |
| Fuel Surcharge | Per Loaded Mile | \$ | \$ | |

The fuel surcharge amount will be included in the calculation to determine the best and lowest bid received under this solicitation.

NOTE: THIS IS THE OFFICIAL BID FORM TO RETURN WITH SUBMISSION OF YOUR BID.

(4) Road Gravel

ONE YEAR CONTRACT

In response to your advertisement for bids to furnish Neshoba County with Liquid Asphalt emulsion as specified for the period of July 1, 2022 through June 30, 2023. We are pleased to submit the following bid(s):

Due to the volatility experienced with and anticipated with petroleum-based products over the coming yearly term it is desirable to move toward an equitable based pricing arrangement for both the county and the vendor that compensates for the anticipated fluctuations in market conditions. As such, bids are requested for **plus** or **minus** the liquid asphalt emulsion (CRS-2) price established via the monthly "industry wide current petroleum products base prices for contracts" as published by the Mississippi Department of Transportation (MDOT) State Construction Engineer on MDOT's Letting Calendar (https://mdot.ms.gov/portal/letting_calendar). The plus or minus amount shall be expressed in dollars and cents or decimal fraction thereof. The MDOT monthly price with the vendor's price adjustment (plus or minus amount) as per the bid shall be in effect from the date of publishing until the publication for the following month. For example: The April 5, 2022 CRS-2 price is \$2.8173 and the vendor bids minus \$0.0500. The resulting cost of \$2.7673 would be billed for all CRS-2 ordered by the county until the new industry wide price is published by MDOT in May 2022.
