

# **PUBLIC NOTICE OF POLLING PLACE CHANGE**

## **Southeast Philadelphia Voting Precinct – Neshoba County, Mississippi**

Notice is hereby given that the Neshoba County Board of Supervisors has ordered a change in the permanent polling place for the Southeast Philadelphia Precinct for the November 3, 2026 General Election and future elections.

The previously designated polling place, the Philadelphia Country Club, has become unavailable for use, creating exigent circumstances, as defined in Miss. Code Ann. § 23-15-283, and requiring a new polling place for the upcoming general election.

Accordingly, the Faith Tabernacle Apostolic Church has graciously agreed to allow their Family Life Center to be used as a polling location and the Board of Supervisors has designated this location as the new permanent polling place for the Southeast Philadelphia Precinct for the November 3, 2026 General Election and future elections:

### **NEW POLLING PLACE:**

**Faith Tabernacle Apostolic Church Family Life Center**

**321 Williamson Avenue**

**Philadelphia, Mississippi 39350**

This change is effective immediately for the November 3, 2026 General Election and until further order of the Board.

This notice is being posted and advertised as required by Miss. Code Ann. § 23-15-283, at the following locations:

- Neshoba County Courthouse
- Philadelphia City Hall
- Office of the County Registrar
- The notice will be published in The Neshoba Democrat circulated within Neshoba County for the required period

Issued by order of the Neshoba County Board of Supervisors on the 21<sup>st</sup> day of September, 2026.
